

# UNIVERSAL Frigi- Quiet®

**A revolutionary  
compressor lubricant that  
enhances cooling, even under  
the harshest of conditions!**

In an effort to meet the demands of today's high performance air conditioning systems, BG Products has developed a revolutionary compressor lubricant, new BG Universal Frigi-Quiet®. Designed to excel in all mobile A/C applications, it is the superior lubricant of choice.

Utilizing unique, ashless anti-wear technology, BG Universal Frigi-Quiet® ensures quieter, cooler compressor operation and will prolong compressor life. It is compatible with all OEM compressor types using R-12, R-22, R-134a and CO2 refrigerant systems. It is 100% compatible with Mineral Oil, PAG and Ester lubricants.

Therefore, it will not void OEM compressor warranties!

BG Universal Frigi-Quiet® is unyielding when exposed to moisture and oxidation. It offers vast advantages over typical Mineral, PAG and Ester oils. It enhances cooling, even under the harshest of conditioins and can be safely used in compressors requiring lubricants ranging in viscosity from ISO 46 to ISO 100.

BG Universal Frigi-Quiet® is available in a 2 ounce bottle, Part No. 701; an 8-ounce bottle, Part No. 7018; and a one-gallon jug, Part No. 7011.
